When a CS graduate student can buy a 70m² home in Beijing?

A CS marketing person can not buy a home in Beijing even within 15 year.

A CS developer can buy a home in 10-15 years in outskirts and over 15 years in downtown.

A CS product manager can buy a home within 15 years in anywhere but downtown.

I'm a marketing person.

I'm a developer.

I'm a product manager.

My family funding will be ,000.

And I will save % of my salary.

So my total home funding will be the following chart:

0-10 10-15 >15 Years
